

ONRC: 803 companies partially running on foreign capital registered in Jan-Feb 2021

The number of newly established companies partially running on foreign capital has dropped by 10 per cent in the first two months of 2021, compared to the same period last year, to 803 units, according to data centralized by the National Trade Register Office (ONRC).

The 803 newly established companies had a total share capital of 10.94 million US dollars, by 6.5 higher than the number of companies registered in Jan-Feb 2020, of 1.68 million US dollars.

By fields of activity, most companies registered in February 2021 were registered in wholesale and retail trade, repair of motor vehicles and motorcycles (31.6 per cent of the total), professional activities, administrative, scientific and technical (19.54 per cent) and transport, storage and communications (18.3 per cent).

In end-February 2021, there were 231,779 companies partially running on foreign capital. The value of the share capital was 64.941 billion US dollars.

The largest number of companies running on foreign capital were investors in Italy, 49,749 respectively (share capital of 3.86 billion US dollars), and the largest value of the share capital belongs to Dutch companies, 13,153 billion US dollars respectively, in 5,543 companies.
