

Bondoc & Asociații successfully advises on the sale and investment arrangements with respect to Mobile Vet

Bondoc & Asociații is pleased to announce that it has successfully advised on the sale and investment arrangements with respect to Mobile Vet, a prominent network of veterinary clinics and pharmacies based in Romania, to Vetzone SPV, a Romanian subsidiary of LuxVet Group, Poland, one of the largest consolidators of the veterinary healthcare market in Central and Eastern Europe.

The transaction, which officially closed on 25th of February 2026, marks a highly significant consolidation within the veterinary healthcare and pet wellness sector in the region. The Mobile Vet chain is widely recognized for providing comprehensive, high-quality medical care, diagnostics, and surgical services for companion animals. This strategic acquisition will enable the network to accelerate its expansion and integrate advanced technological capabilities under the new ownership.

Bondoc & Asociații provided comprehensive legal counsel throughout the entire lifecycle of the transaction. The firm's mandate included:

- Legal structuring aspects and pre-sale reorganizations.
- Assisting with the establishment of the due diligence data room.
- Drafting, reviewing, and negotiating of all transactional documents.
- Providing counsel on complex post-closing transition and investment arrangements and management retention packages.

“The counsel and dedication provided by Bondoc & Asociații throughout this transaction was exceptional”, said *Dr. Razvan Gheoca*, Co-Founder of Mobile Vet. “*We couldn't have asked for better partners to guide us through this transaction*”, added Dr. Radu Vasiloiu.

Bondoc & Asociații's transaction team was led by **Lucian Bondoc** (Managing Partner) and **Bogdan Bunraiu** (Partner), with significant support from **Matei Vilcov** (Senior Associate), **Raluca Catargiu** (Senior Associate) and **Briana Buzdugan** (Junior Associate) on corporate and M&A matters. Partner **Daniela Gladunea** together with **Oana Danila** (Managing Associate) advised on the employment and transitional framework.
