

SAA welcomes George Chiocaru as TMT Managing Associate

This month, Stratulat Albulescu Attorneys at Law (SAA) is proud to announce and welcomes George Chiocaru as one of the Firm’s TMT Managing Associates. George joins SAA with over 9 years of experience in IT & Telecommunications, Data Protection, Banking and Finance as well as in the Aviation and Shipping industry. As an accomplished lawyer with extensive knowledge of the TMT sector, George is known for never adopting a "one size fits all" mentality and for his commercial, solutions-based approach.

Before joining the SAA team, he was part of the banking regulatory and compliance team of one of the ‘Big 4’ accountancy firms as well as other well-known leading law firms in Romania.

His significant experience in the capital markets sector includes notable transactions such as the dual listing on the Bucharest Stock Exchange and the London Stock Exchange of GDRs of the Romanian national gas company.

Advising both public and private companies, national and international, George also has deep knowledge in the highly regulated areas of electronic money issuing and payment services.

His fresh perspective and approach along with his unique professional background makes [George Chiocaru](#) a most valued new member of the SAA team.

“George has the ability to harvest the limitless options the IT&C industry has to offer and provides value to each interaction. We are thrilled to have him as part of SAA”, said Managing Partner [Silviu Stratulat](#).
